How should we respond to the love of Hashem (God) lavished on us through the Messiah?

I'm sure you still have many questions, and I remember the moment when I was ready to accept Yeshua as Messiah. I still had questions, but somehow deep down I knew it was true. I didn't understand everything about how I could be Jewish and believe in Yeshua (Jesus Christ), but at that point I knew enough to recognize that since Yeshua (Jesus) was Jewish, he would help me understand everything, and he did it!

What he has done for me and for many other Messianic Jews can certainly do it for you. Of course, you can also believe in Yeshua if you are not a Jew!

Now wouldn't it be a good time to receive the Messiah?

You could pray the following prayer:

Dear Hashem (God) of Abraham, Isaac and Jacob, I know that I am one of the sheep that have gone astray and turned my way. But, Lord, I also recognize that you have placed the penalty of my sins on Yeshua the Messiah. I believe it and I want to accept it as my Lord. Thank you for sending Yeshua to die for me, allowing me to start a personal relationship with you. Thank you for providing my atonement through Yeshua.

You could also meditate on these scripture passages found in the New Testament:

... because if you confess with your mouth the Lord Jesus, and believe in your heart that God raised him from the dead, you will be saved. In fact, we believe with the heart to obtain justice and with the mouth we make confession, to obtain salvation. (Romans 10: 9-10)

... but to all those who received him, he gave the authority to become children of God, that is, those who believe in his name. (John 1:12)

If you have prayed this simple prayer, you can be sure that Hashem (God) has forgiven you of your sin and that you have received the gift of eternal life, a life that begins now and lasts forever.
