Praying for oneself and for others simply and openly in the Name of Moshiach Yeshua brings Shalom into our hearts and into the hearts of those who receive prayer.

Lord, Yeshua (Jesus Christ), you traveled through towns and villages “curing every disease and infirmity.” At your command, the sick were healed.

Come to our aid now, in the course of the coronavirus pandemic, so that we can experience Your healing love.

Lord, Yeshua (Jesus), healer of all, stay by our side in this time of uncertainty and pain. Please heal our friends and relatives, family in Yeshua and all those who need healing, bring them to Your throne so that they can receive from You Your powerful healing, Your Redemption, Your Salvation and consecration, Your Holiness and Your Healing Anointing, in Your Name, Amen.

Be close to the families of the sick and victims of Covid and other diseases and causes. In their worry and suffering, defend them from disease and despair. May they experience your Shalom (peace).

Be close to doctors, nurses, researchers and all health professionals who, taking risks for themselves, try to treat and help those affected. May they know Your protection and Your Shalom (peace).

Be beside the leaders of all nations. Grant them foresight to act with charity and true concern for the well-being of the people they are called to serve. It gives them the wisdom to invest in long-term solutions that help prepare for any future outbreaks or prevent them. May they be inhabited by Your Shalom (peace) as they work together to achieve it on earth.

Whether we are at home or abroad, surrounded by many people suffering from this disease or only by a few, Lord, Yeshua (Jesus Christ), stay with us, while we resist and cry, while we persevere and prepare. In place of our anxiety, give us Your Hope and Shalom (peace).

Lord, Yeshua (Jesus Christ), heal us. In Your Name Yeshua (Jesus), Amen

Blessings in Yeshua (Jesus), Amen
