

Our personal and ministry update Beit Shalom Messianic Congregation, Italy

Shalom Dear beloved ones in Moshiach Yeshua,

We are so blessed to be part of Iamcs since last November 2019 and to be His people Israel redeemed in Moshiach Yeshua, blessed to be His righteousness, United in the One of Israel, amen. Baruch Hashem, we have seen so many changes in our lives since last September 2020.

Last September 2020, we have finally been able to rent an office as our ministry headquarters in USA that is now up and running and it has seen people coming and gathering with us for Shabbat and Jewish Festivals at Havurot Shalom in Glenwood Springs, Colorado and surrounding areas. We have also bought a camper (a perfect sukkah) to share Torah in the Glenwood Springs Area at Succot 2020 with Chabad and Reform Jews in the area.

Prayer: We are praying to buy a land and a property in Glenwood Springs Area, Colorado to have a place of refuge and gathering for Jews and Gentiles in the end times, where we can gather Jews and Gentiles in Moshiach Yeshua, as a shelter and refuge (Psalm 46).

Last October 2020, after Simcha Torah 5781, we have started our First Academic Year at the [IMBI \(Italian Messianic Bible Institute\)](#) that has seen much growth in students' number (many have been studying online due Covid 19 restrictions in Italy). We have also differentiated our [Torah Studies for Women](#), [Young Adults](#) and [Children](#).

Prayer: We pray [IMBI](#) will grow exceedingly and abundantly above all measure (EPHESIANS 3:20) and that Italy will receive also teaching from IAMCS and other ministries such as [Chosen People Ministries](#) we are in partnership with through exclusive (in person / online) Conferences and Events in Moshiach 's Name, amen. We pray we will be able to translate all teaching Hashem gives us in Italian for His glory in this land to receive redemption in Moshiach Yeshua. Amen

Last December 2020, we sold a house in Pozzuoli and we bought a town house in Perugia, Italy that has become our ministry headquarters in Umbria Region, Italy (that is at the center of Italy) where we have developed four departments as follows: [A Messianic Jewish Counseling Center called Machaseh Shel Tikvah \(Shelter of Hope\) for Counseling](#) (Isaiah 61), [AGMI \(Italian Messianic Jewish Alliance of Italy\)](#), a new Messianic Jewish Congregation called [Beit Hallel Messianic Congregation](#) , and a [Place of Refuge for Jews and Gentiles in the end time where they can receive care and teaching](#). [Beit Shalom Messianic Congregation](#) is still gathering in Naples, and with us in Perugia online, while some of our members in Naples and other locations are slowly moving to Perugia.

Prayer: We pray Hashem will give us the wisdom and understating to persue His will above all concerning all people He has gathered and led to us under His ministry He has given us in His perfect will, In Yeshua's Name, amen. Also, we pray to buy a land near by the headquarters to allow people to gather and worship Him, to bless Israel through the Five Wise Vergins [agricultural projects](#), even if there restrictions due to Covid 19 in the future.

After Simcha Torah 5782, this Coming October 2021, we are going to start [Heder Malva Italia](#) , an afterschool project to prepare the next generation of leaders in Moshiach Yeshua to be bold and courageous in Him and to be trained and ready to serve Him in Spirit and in Truth. This is a Project our hearts melt for since it is the very reason why we can say we are alive to pass our inheritance to the young ones in our local and larger communities to receive His redemption. It is a honor and a privilege to do so.

Prayer: We pray HaShem is going to bless this project and see His kingdom come, His will be done in their lives as it is in heaven. In Moshiach Yeshua, Amen
