

A Word from The Rabbi & The Rebbetzin
Our personal and ministry update (August 2021)
Beit Shalom Messianic Congregation, Italy

Shalom Dear beloved Ones in Moshiach Yeshua,

As we approach the [Autumn Season and the High Holidays 5782](#), we sense the power of Hashem increasing upon our lives and mishpachot through the unity of our congregational prayer meetings.

Answer to Prayer: We have just signed a contract to buy a property in Grand Junction, Colorado that is going to be our ministry headquarters in the USA. Even though we have had many challenges during this period, we are happy to testify Hashem's faithfulness and love in our lives. He guides us through unpredictable paths to show His Glory in our lives as it is in heaven.

Testimony: During the last month of August 2021, we have shared Hashem's love with our Orthodox Jewish brothers and sisters at JCC in Aspen and we have seen multiplication at our USA HQ in Glenwood Springs, USA where new people are coming to celebrate Shabbat and study the Torah with us. We have also started a Special Family Programs called [Kadima](#) on the 20th of August 2021. Kadima Program is specifically tailored for Families with children age 3-12 which are coming every Friday evening at 6:00pm until 7:00PM for a Family Kabbalah Shabbat in which we are teaching Torah through Creative Arts.

New Year = New Work: We are developing and working on [Fundraising of a Messianic Jewish Magazine](#) called [Devash](#) that is going to be distributed in Italy (Hebrew, English and Italian) and in the USA in the future. Designed for children aged 7-11 to read independently or with Families and Teachers, Devash will cover a range of topics on the Weekly Parashah, including Torah Commentary, Chanting, Hebrew Language, Midrash, the Halakhah and Jewish History.

Family Counseling: We are giving specific time for Family Counseling in person and Online in the USA and in Italy during [Kadima Program Time](#). Widows, Single Parents with many children, and others going through divorce seem to be the majority of those who are coming to us. These people represent the First Fruit of our labor in Moshiach Yeshua this year, in USA and in Italy.

Prayer Request: Please pray for us as we work on the Fundraising of the magazine Devash as this is a new thing to create and develop in Italy and abroad. There are no Messianic Jewish Teachings for Children in Italian. As well as we have done for Adults, Young Adults and Women Messianic Teachings last year, we are now working on a Messianic Jewish Curriculum (K- Grade 7) for kids from scratch to develop [Devash](#), a Messianic Jewish Magazine for Children (age 3-12) as part of Heder Malva Italia, our Messianic Hebrew School, starting this year after Simcha Torah 5782. This October 2021, we are going to start [Heder Malva Italia](#), an Afterschool Project to prepare the next generation of leaders in Moshiach Yeshua to be bold and courageous in Him and to be trained and ready to serve Him in Spirit and in Truth. This is a Project our hearts melt for since it is the very reason why we can say we are alive to pass our inheritance to the young ones in our local and larger communities to receive His redemption. It is an honor and a privilege to do so.

Prayer Request: Italy is going to face a new lock-down in October 2021. This means that we are continuing to serve Hashem Online as many are afraid to meet, and due to the new law it is mandatory to have a green pass to participate to any social or congregational event/service. We know that the situation is not going to improve, we pray that the bold ones will gather in person with us in His Name, amen.

Prayer Request: We pray that Hashem is going to bless us with finances to buy a Sefer Torah for Perugia's Congregation and to grow as we do not receive tithes and offering from our Congregational Members in Perugia and Ministry in Italy. We pray that will be more active members which are willing to serve Hashem and invest in His kingdom. We are asking Hashem to support Heder Malva Italia (Messianic Hebrew School) to raise up the new generation of leaders in Moshiach Yeshua. In Moshiach Yeshua's name, Amen
