Jewish Feasts Free Poster

Dear Beloved in Hashem,

I pray this printable Feasts of YHVH poster is a blessing and help to you as you learn about His Feasts!
Some thoughts for you:

- ✚ In the circle, write the actual date you will observe the Feast. Some people observe different Feast calendars (schedules), so you can personalize this for your family! Just print the entire poster set again each year to fill in next year's dates.
- ✚ I taped mine to my wall vertically.
- ✚ I made it to help our kids at [Heder Malva Italia](https://villageofhopejusticeministry.org/messianic-resources/) learn the Feasts. You can turn it into a game, quiz, memorization tool, and more. Have fun with it!
- ✚ I made this poster based on my own interpretation of Torah Scripture because I made it for our kids at [Heder Malva Italia](https://villageofhopejusticeministry.org/messianic-resources/). If you have a different understanding of something on the poster, just cross out and write in what you want yours to say. I'm sorry I cannot publish other versions of it.
- ✚ There are many more traditions that some people observe on the Feasts, but I only included Torah Scriptural commands.
- ✚ There are also Torah Scriptural commands for offerings and temple worship, but those cannot be done today.
- ✚ Please do go to the [Torah Scripture for further study!](https://villageofhopejusticeministry.org/messianic-resources/) I only included a few Torah references to get you started, but there is so much more to explore.
- ✚ If you want free printables and ideas of how to celebrate Pesach (Jewish Passover), including a Seder Program (Haggadah), go to <https://villageofhopejusticeministry.org/messianic-resources/>
- ✚ This poster is free, but please don't just email it to your friends. Rather, please send them to download it themselves <https://villageofhopejusticeministry.org/messianic-resources/>

Enjoy worshipping YHVH with His Feasts! I pray they bring the Gospel of our Savior even more alive for you! The Feasts do tell the Gospel story, after all!

Shalom and Blessings in Hashem, Beshem Yeshua, Amen.
