Overview

Devash Magazine is a fruit of the Project Kadima. It is a weekly Parasha magazine that makes learning Torah sweet. By engaging directly with texts and taking families and children from 3 to 12 years of age seriously as Messianic Jews, Devash Magazine helps children and grownups discover new ideas, values, and sweet morsels in the weekly Torah portion. Devash Magazine is designed for children aged 7-11 to read independently, or together with families and teachers. If you subscribe now, your first shipment will be Parasha Ki Tissa (February 19).

New issues of Devash will be added to Kadima Project's Torah Library as they become available.
