Message from the Rabbi & the Rabbanit

Dear friends and Family in Mashiach Ben David,

We hope you are healthy and well. This Shabbat, will mark for many of us a special Shabbat since we are celebrating Hashem's REST after an intense stressful learning journey. Baruch Hashem, we are here to testify the faithfulness of our Lord, serving Hashem in Spirit and in true. The Rabbanit Gavriela has been studying proficiently at Walden University in the USA, attending an intense four days pre practicum 1 experience to better serve Hashem's body in Israel and the nations.

As believers in Yeshua, we support one another in prayer, and we kindly ask you for prayers for her life and counseling ministry entirely devoted to our families and children in need of Counseling based on the Torah, that is truthful and unchanging above all theories and doctrinal teaching you might find around the globe. This is the time to stand in our faith in Hashem, Yeshua and the Ruach HaChodesh, to pray and support our beloved ones in need of mental help, to share the light of Mashiach Ben David to the world in a tangible way through our Professional and Spiritual contribution.

Please join us on this special day in [learning something additional](#), reciting [an additional prayer](#), and [giving some extra charity](#). As we invest our lives in the Kingdom of Hashem, [and we put Him first, all the other things will take place in His perfect will in our lives](#). Let us also apply some of the Mashiach Yeshua's care and selfless dedication to our own interaction with family, friends and total strangers. There can be no more fitting tribute to the Mashiach Ben David than millions of good deeds, mitzvot, performed on this day.

May G-d help us that in the merit of our collective acts of goodness we quickly greet our righteous Mashiach.

Shabbat Shalom,

Rabbi Harel & Rabbanit Gavriela Frye
