

Message from the Rabbi & the Rabbanit

Dear Friends and Family in Mashiach Ben David,

This past Tuesday, NASA released five images from the early work of James Webb Telescope. The most striking image was of the Carina nebula, a vast, swirling cloud of dust located 7,600 light years from earth that is both a star nursery and home to some of the most luminous and explosive stars in the Milky Way. In this week's Torah Portion, the sinister sorcerer Balaam blesses the Jewish people against his will and declares: "A star will come out of Yaakov (Jacob); a scepter will rise out of Israel." (Numbers 4:17), referring to our Mashiach ben David, Yeshua, the Mashiach of Israel.

In Balaam's fourth message (Numbers 24:15-19), he prophesies the coming of the Messiah King. In Matthew 2:2, we see that Yeshua Ha Mashiach fulfilled this prophecy. "Where is the one who has been born king of the Jews? We saw his star in the east and have come to worship Him." (Matthew 2:2). So Balaam, the prophet, the outsider who can see things that those who are too close cannot, reminds us that Mashiach Ben David, Yeshua, came for His people's redemption. Everyone, even one who seems darkened and distant, is, in reality, full of light when encountering the promised star from Yaakov, Mashiach Ben David, Yeshua. Never forget how His Father's Faith, Hope, and Love have been poured already into you when you were not even born. He loves you and has a plan for you and your beloved one to be redeemed and be with Him forever. His plan for you prevails above all things. It is eternal. Do not despise the time of small things you are living now. He is preparing You for a greater plan in His kingdom of Heaven.

Today, look up at the sky. There are many stars you cannot count. Make Teshuva before Hashem. Ask for His Promised Star, His Mashiach Yeshua. He comes from Heaven. He is His promised Messiah. Ask Mashiach Yeshua to come into Your heart, and be Your Redeemer. Ask Hashem to change your sinful life into a NEW LIFE. Leave your sinful past behind. Start a new beginning with Him. In Yeshua Ha Moshiach's Name, Amen.
